were a graduate of Northwestern university of Chicago, graduates of various state normal schools and universities, and private institutions. He says that the class of teachers in Union county this year is far above the average. Most of those who will teach this winter in the schools of the county are homesteaders, who have this method of making a living while proving up on their homesteads.

As an evidence of the interest displayed in the institute, Prof. Hofer cited the fact that many of those in attendance rode or drove across country fifty or sixty miles, and were put to considerable expense to attend the sessions.

The schools of Union county are ably looked after by County Superintendent Joseph Gill, who is keenly interested in his work and anxious to raise the standard in every way possible.

## YOUNG PEOPLE'S NOTES

(Contributed)

"Aliens or Americans," a book of some moment on the subject of immigration, is being studied by the young people of the Presbyterian society. Last night the first chapter was begun. The last Sunday of each month will be given to the continuation of the study.

While the subject of immigration is seldom thought of, or perhaps mentioned out here in this country, it is nevertheless one of the national problems, and it is not out of place to take up the study in the society. Already a marked interest is manifest in the study, and judging from present indications, it is a wise move on the part of the missionary committee, whose plan it is.

Next Sunday evening is consecration service. It will be very helpful and well handled.

Tonight a business meeting will be held at the church. All who are interested in the young people's work are more than welcome.

If you are all run down Foley's Kidney Remedy will help you. It strengthens the kidneys so they will eliminate the impurities from the blood that depress the nerves, and cause exhaustion, backache, rheumatism and urinary irregularities, which sap the vitality. Do not delay. Take Foley's Kidney Remedy at once. O. G. Schaefer and Red Cross Drug Co.
